Join us for a day of fun on our 2nd annual Poker Run to raise awareness and donations for The Terry Lynn Cancer Foundation. Our mission is to help single mothers with cancer, who can't afford increased medical costs or to be out of work, with financial assistance, in hopes of relieving some of the stress, anxiety and hardship to increase their chance of survival.

Studies show that cancer victims who are married have a higher survival rate than those that are not.

The motorcycle poker run will travel through the Salt Lake Valley, ending at The Filling Station for party. Maps will be provided for the stops along the way. Draw a Poker Card and have it recorded on your Tally Sheet at each stop. Prizes will be awarded for Best Poker Hand, 2nd Place and Last Place.
